Table of Contents	i
List of Figures and Tables	ii
Introduction	1
An Overview of Prehistoric Archaeological Resources of the Proposed East-West Corridor	9
Environmental Setting	9
Regional Prehistory and Archaeological Sites	14
Management Considerations	28
An Overview of Historical Archaeological Resources of the Proposed East-West Corridor	30
Regional History and Archaeological Sites	30
Management Considerations	44
Historic Standing Structure Cultural Resources in the Proposed East-West Corridor Alignments	46
Regional Architectural History and Known Standing Structures	47
Management Considerations	65
Cultural Resource Management Overview of the Proposed East-West Corridor Alignment Alternatives	68
References Cited	71
Personnel	78
Appendices	79
I: Prehistoric Sites Located within the East-West Corridor Alignments	79
II: Historical Archaeological Sites Located within the East-West Corridor Alignments	81
III-A: Historic Standing Structures by Study Corridor Located in the Proposed Alignments	87
III-B: Eligible Historic Properties Located within the Proposed East-West Corridor Alignments	89
III-C: Architectural Styles Present within the Proposed East-West Corridor Alignments	91
Attachments	93
I: Prehistoric Probability Zones	93
II: Historic Probability Zones	94
III: DelDOT Design Maps of Proposed East-West Corridor Alignment Alternatives	95
IV: Draft Memorandum of Agreement	96
